Today, I realize and
recognize that I want more
out of life. I want more, I
want to be more, I want to
love more, I want to enjoy
life more. Goodness does not
satisfy me, I AM HUNGRY
FOR GREATNESS.

The Honorable Bill Proctor
County Commissioner

Tallahassee, Florida 32301

Dear Commissioner Proctor:

The Essence Girls Basketball (EGB) Program is a non-profit organization dedicated to training young ladies in the fundamentals of basketball as well as teaching them coping and life management skills. The program ensures that its participants develop the necessary knowledge, skills and abilities to succeed on the local, state and national levels. The EGB Program provides an opportunity for the young ladies to be exposed to various college scouts (Division I, II, III, NAIA and junior colleges) from around the nation. Currently, there are sixteen (16) former Essence players that are playing at the collegiate level.

The 14 & Under team is ranked first (1st) in the State of Florida. These young ladies will represent Tallahassee and Leon County in two exposure tournaments that will be held in September. We are requesting a \$500.00 contribution to assist the 14 & Under team with travel expenses as they journey first to Miami and then to Augusta, Georgia. Thank you for taking the time to consider this request.

If there are any questions or if additional information is needed, please contact me, Coach Kimberly L. Davis at 850/504-5470 or 850/556-2097.

Sincerely,

Kimberly L. Davis
